Producer

Chocolate Chip

Doughbries

born in mumbai where art is as valued as food

longs to photograph spiritual sites around the world

dances to bollywood party music as a daily ritual

enjoys flying with her four-year-old in a 1943 stearman bi

has never met a horse who doesn't like her

prefers falling asleep to the chanting "om" of fog horn

believes the earth resides in a single flower

tends to see the possibility not the problem
